

Elite Magnesium

Formulated using
HyGrow-Wik
Technology™

Elite Magnesium is a liquid foliar fertilizer containing highly soluble, amino acid complexed magnesium. It is a systemic magnesium nutritional and is formulated to quickly, and safely, correct and prevent nutritional deficiencies in plants. **Magnesium serves as the central atom in the chlorophyll molecule, plays an active role in the metabolism of phosphorous, acts as a metabolic regulator and facilitates translocation of carbohydrates.** Elite Magnesium may be applied by air or with all types of ground spraying equipment. It is compatible with most common foliar pesticides and nutrients, with the exception of some phosphates/phosphites. However, USER ASSUMES FULL RESPONSIBILITY to ensure compatibility when tank mixing with other products.

Guaranteed Analysis:
Magnesium (Mg) 6.1%

Source Derived From:
Magnesium Amino Acid Complex

Apply early, prior to rapid growth, to allow magnesium levels to reach optimal levels. It is recommended to monitor levels using tissue analysis.

Suggested Foliar Applications:

Vegetable and Row Crops: Apply 20 fluid ounces

Apply in one week intervals. Repeat 4 times throughout the growing season or as needed to correct magnesium deficiency.

Tree Crops: Apply 64 fluid ounces

Apply in regularly scheduled sprays. Repeat 4 times throughout the growing season or as needed to correct magnesium deficiency.

Pecan/Walnut Tree Crops (Young): Apply 64 fluid ounces

Pecan/Walnut Tree Crops (Mature): Apply 128 fluid ounces

Apply in regularly scheduled sprays. Repeat 4 times throughout the growing season or as needed to correct magnesium deficiency.

SHAKE WELL BEFORE USE

Content: 2.5 US Gallons
